***Disclaimer by Assignee***

The assignee of the above-identified application, DexCom, Inc. ("Assignee"), hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of any patent issuing from U.S. Patent Application No. 11/021,046, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that such patent so granted on the above-identified application and any patent issuing from U.S. Patent Application No. 11/021,046 are commonly owned. This agreement extends to any patent granted on the above-identified application and shall be binding on Assignee, its successors, or assigns.

Assignee does not disclaim the terminal part of any patent granted on the above-identified application prior to the earlier of the expiration date of (i) the full statutory term of any patent issuing from U.S. Patent Application No. 11/021,046 and (ii) the expiration date of the full statutory term of any patent issuing from the above-identified application, in the event that any such patent issuing from U.S. Patent Application No. 11/021,046 or from the above-identified application later expires for failure to pay a maintenance fee, is held unenforceable, is found
